

Why a Karaoke Calendar?

Written by Terry Smith

Karaoke provides a way for anyone to take the first step in the performing arts by giving them an easy way to participate immediately. [Mihaly Csikszentmihaly](#) mentions in his book, *Flow: The Psychology of Optimal Experience*, that those in the community of some ancient civilizations were expected to participate in the arts, not just 'enjoy' them passively.

Many people deride karaoke, preferring to hear accomplished singers and/or live musicians, but this site is intended to be used as a tool primarily for people to get actively involved in performing.

And karaoke is not just for beginners. Many excellent singers can be found at karaoke.

The Karaoke calendar is just under way, so register and add your own karaoke places.

Along with karaoke in night clubs, does anyone know of any non-alcoholic events? Go ahead and enter them or send them to me using the [Contact Us](#) page.
